Natural care:

The best warranty for a beautiful surface, that is you!

With an Admonter natural floor you have purchased a genuine natural product: your floor is alive. And it lives with you: The way in which you handle your floor, the way you use it and care for it will determine its appearance over years and decades. Please note our care & maintenance instructions in every third package. We give you a 30-year warranty for material and manufacturing. But the best warranty for a lifelong beautiful surface, that is you!

Admonter® Natural Floors

Adding Quality to your life.

Your 30 years warranty certificate.

30 years warranty:

Adding Quality to your life.

Congratulations: With your Admonter natural floor you have decided on one of the best engineered wood floors in the world. This is why you will also enjoy a quality warranty that goes beyond the legal standard.

Our warranty declaration:

STIA Holzindustrie GmbH in Admont provides a 30-year quality warranty on material and manufacturing defects for the Admonter natural floor purchased by you subject to the following conditions.

- The warranty applies to all Admonter natural floors bought and installed in Europe from 1 January 2003. The warranty takes effect from the date of purchase.
- The warranty covers hidden defects in the floor based on material or manufacturing defects and which occur within the warranty period. Open defects must be reported prior to installation!
- The warranty applies exclusively upon use of the product in normally utilised living and property areas, except for wet and moist rooms.

Our warranty:

Warranty is only granted if the warranty claim is lodged in writing within 30 days after the occurrence of the defect, presenting the original invoice to the specialist dealer.

- If the warranty is accepted, STIA Holzindustrie GmbH will provide replacement free of charge, while we reserve the right to carry out detail repair to defective planks. If the product can no longer be supplied, you will receive equivalent replacement from the current range.
- The warranty depends on the time value of the goods, the replacement provided is reduced by 3.33% per annum (30 years) compared with the new value of the goods. When making use of the warranty the customer will bear the difference between time value and new value.
- The warranty period is not extended through a case of warranty.

Excluded from warranty:

- Damages through incorrect installation (Contrary to the STIA installation instructions which is enclosed with every third package or contrary to the rules of the trade: VOB C, DIN 18365, ÖNORM B 2218).
- Damage through incorrect care & maintenance (contrary to the STIA care instructions enclosed with every third pack).
- Damage through standing water, insect infestation, accidents or acts of God.
- Purely visual impairments such as joints or deformations of the floorboards as might occur seasonally, colour changes through the effect of light, wear of the surface treatment.
- Stains or mechanical damages to the surface (marks, scratches, etc) caused through incorrect treatment, use or storage, especially damages caused by high-heel shoes, furniture, stones or pets.

Additional claims, titles or rights such as disassembly and reinstallation of the floor as well as consequential costs or damages brought about by the defective product will not be accepted.
